## ABOUT US

SilverZone Foundation, a veteran of International Education Olympiads with more than a decade of experience, excellence and popularity.

SilverZone Foundation is a Registered Trust (Reg. No. 1533 ) educational organisation headquartered in New Delhi promotes learning beyond the school curriculum among the students (class I - XII) innovatively; thereby realise their potential and developing their skills for a brighter and enterprising future.

We are pleased to be associated with you regarding spreading quality education among students. It may not be out of context here to mention that the SilverZone Foundation is reckoned as the organiser of one of the **biggest** and the **most popular International Olympiads**.

For the **past 20 years**, our Olympiads have reputedly created a platform for students from Class-I to XII to appear and judge their mettle at various levels of these highly appreciated competitive examinations.

Growth and reach: For your academic interest, more than **10 million** students from **more than 12000 schools, not only in India but also from countries including the USA, UNITED KINGDOM, CANADA, JAPAN, SINGAPORE, RUSSIA, QATAR, OMAN, SAUDI ARABIA, DUBAI, INDONESIA, MALAYSIA, BAHRAIN, KUWAIT, GHANA** and many more participated in the Olympiads conducted by the Foundation.

**SUBJECTS** - Registration is open for Maths, Science, English, GK, Computer, Hindi, Social Studies, Talent Hunt and Reasoning.

**Latest Subject - STEM** (Science, Technology, Engineering and Mathematics)

**Exceptional Quality** : These two words describe why students should patronize our Olympiads. Every aspect of our Olympiads, i.e. from preparation of study material, formation of question papers, logistics and preparation of result is critically analyzed and evaluated from these two perspectives. We strongly believe that the examination should be challenging and motivating so that students improve their academic performance on a continuous basis and pursue academic excellence relentlessly. The Olympiads are conducted to enhance the reasoning, logical, analytical and problem solving skills of students in a highly competitive and global environment to help in building a solid foundation for National/International Competitive Examinations.

**EXAMINATION FEE** – The registration fee and other details are provided in the school registration form.

**EXAMINATION DATE** – Please check the Last page of this Brochure.

## Awards & Recognition for Schools

The dedication and commitment demonstrated by educators in preparing students for the Olympiad is truly commendable. Their willingness to put in extra effort and time reflects a profound passion for empowering young minds to excel in today's competitive world. By guiding students to surpass their limits, these educators ignite a spark of motivation that propels them to explore beyond the confines of their syllabus and strive for greatness on both national and international platforms.

It's crucial to acknowledge and celebrate the incredible work done by these educators. Therefore, the introduction of annual awards to honor schools that go above and beyond in shaping the future leaders of tomorrow is announced with great enthusiasm. Their efforts are not just appreciated; they are the cornerstone of educational excellence. Continuing to inspire and ignite the passion for learning, these educators play an indispensable role in paving the path for countless success stories yet to unfold.
